I know the road gets rough sometimes, but what does it matter when we have each other? You're always there when I need a hug, a smile, or a shoulder to cry on. I hope that I'm always there for you. A very wise and handsome man once told me, "Anything worth having has to be worked for." He's right and I will keep working for you 'cause you're worth it! (It's hard to work at something that comes so easy!) I Love You!! Always!
