Timothy Joseph —  
Can you believe that I missed talking to  
you over Christmas break? Call me some-  
time, 472-0229.  
Drunkingly, SMK

... And mindless preppies from  
throughout the land rejoiced, for there  
was an organization that catered to their  
needs. And to this society they flocked,  
with collars upturned, hair  
pseudo-punked, and feet clad only in  
pennyloafers. And the two men who  
created this society "got really psyched,"  
for upon their doorstep had gathered a  
tremendous throng of fellow men with  
the desire to "go for it," each brandishing  
a fistful of daddy's money, eager to pur-  
chase a membership in this new society,  
to experience new and lasting relation-  
ships, and to sleep in the same house as  
forty other men. ... TO BE CONTINUED.

Brothers,  
Have a good semester and keep me  
informed on UNL. I'll miss you all.  
Yours in ZAX  
Dennis
