

# Planning a wedding?

The Brandeis

are ready to help!

We'll help you decide everything from what to serve at your reception, to what china to set on your table. And, by coming to us first, you'll save time and money, because we've got everything you need under one roof.

Our Wedding Gift Registry is an excellent way to let friends and relatives know what you want. It's easy... just stop by any Registry and our trained consultants will help you coordinate your preferences for china, crystal, stemware, silver, stainless, linens and other housewares in the quantity and colors you want.

Registry information is exchanged and records updated daily, with the updated information kept on file for 5 years to help you complete your patterns. Our convenient Club Payment Plan helps too. Ask about it.

Registered brides receive a 10% discount card for wedding invitations in stationery and for purchases in the flower shop, intimate apparel, fashion jewelry, beauty salon, linen, luggage, lamp, and drapery departments. Good for 30 days after your wedding.
