Cindy,
I can't remember if I had more fun -
at the banquet, and you saying it
first
- at the Luau
- while we're "on medication"
- receiving 4 letters a day
- studying
- sitting in front of the fireplace chug-
ging a bottle of champagne
- getting married, but only for awhile
- hating Dolly
- of being chased under the bed.
But I do know that the fun only makes
the other feelings that much more special.
I love you,
Bill
