To the person who took the film from my camera at the party on 25th & R street Saturday night, would you please return it to room 220 Ne Union Office for Kim. It has no pictures of the party on it. The pictures are of my dog and cat when they were pup & kitten, unless you have an uncontrollable "Pet Felish" I see no use of these pictures for you. They do have some sentimental value to me.  
Thanks,
