

## Bad movies, part 2 . . .

Continued from Page 6

Space Monster 1: Look at this clever shirt, dear. It says, "Someone went to the Milky Way, and all I got was this lousy T-shirt."

Clerk: Aaaaugh!

Space Monster 2: Wow! And look at all these ash trays. Do you have any picture post cards of the shopping mall?

Policeman (speaking through a megaphone): OK, space monsters, we've got you covered! Come on out!

Space Monster 1: Why, certainly. Would you take a picture of my wife and I?

Policeman and Clerk: Aaaaugh!

Announcer: Also on the same bill: *King Lear: Touch Enough*, starring Laurence Olivier and Chuck Norris. Coming soon.

Announcer: They didn't come from outer space! They weren't possessed by the devil! They didn't even go to Ridgemont High! They were *The People Who Were Absolutely Normal!!!!*

Steven: Good morning, sis!

Shelley: Good morning, Steve. Did you have any STRANGE DREAMS!!!!?

Steven: No, thanks for asking. DID YOU!!!!?

Shelley: No. Hey let's go over to John

and Judi's and see if anything unusual is going on.

(Later, at John and Judi's.)

Steven: Hello, Judi. Can you turn your head all the way around?!!

Judi: Haha, No, I can't Steve. But John thought he saw a ghoul last night.

Shelley: Ooh, John, did it try to get you?

John: No, it was just the dog.

(Everyone laughs.)

Judi: Say, should we go down to the beach and cut some people up or something?

Steven: No, Absolutely Normal People don't do that kind of stuff.

Shelley: But, Steven, everyone else in the drive-in movies gets to do stuff like that.

John: Couldn't we just talk in deep, raspy voices or maybe eat someone?

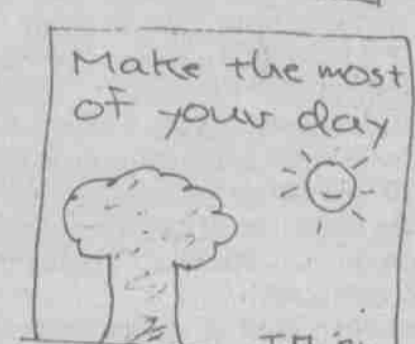

Steven: I'm afraid not, Johnny my boy.

Judi: He's right, guys. We put on our pants one leg at a time like everyone else.

Announcer: You'll want to bring somebody to hold close against the ceaseless terror of *The People Who Were Absolutely Normal*. From the same people who brought you *Tender Mercies*. Now, buckle your seat belts, because hear comes the carpet monster.
