A Senior Who's Really Gonna Miss You

Have a great summer in Peru. Think of me stuck in Lincoln! Have fun.

T.L.V. (Bata Sig),
Happy 20th! You're all right — I don't care what anybody says! Have a great day and good luck on finals!

Paula, Best of luck in Arizonal You better write because I'll miss ya.

Look, let's try one more time: "It's" and "You're" are contractions of "It is" and "You are." "Its" and "Your" are possessive pronouns. "It's name is Fluffy" means "It is name is Fluffy." Whoever writes, "Your an idiet," obviously knows whereof he speaks. OK, got that? No excuses now! And button your coal!
