### **Orientation—Back to School Issue**

This special first issue of the year is distributed during General Registration week. It is a complete guide for new and returning students of things to do and places to go on the UNL campus and in the Lincoln community.

### **Health & Fitness Guide**

A guide for students who want to stay fit and trim. The Daily Nebraskan will talk to area experts and present the do's and don'ts of physical fitness.

### **Basketball Guide**

The Cornhuskers are coming off one of their best seasons ever and the Daily Nebraskan will give you a preview of things to come in this special edition. We'll have a complete preview of the 1983-84 basketball season.

### **Christmas Wish Guide**

This special supplement helps UNL students plan their holiday shopping and other activities for the holiday season. This shopping and gift-giving guide is the best way to reach the student market before the last minute rush begins.
