YOUR BSN IS WORTH MORE IN ARMY NURSING.

First, there are the respect and dignity accorded an Army officer. Then there's the opportunity to travel, changing hospitals without losing seniority, as so often happens in civilian hospitals.

And there's the opportunity to add new and different nursing disciplines. To study, continue your education, attending professional conferences, working in a variety of nursing specialties.

If you're working on your BSN or if you already have a BSN and are registered to practice in the United States or Puerto Rico, talk to our Army Nurse Corps Recruiter.

ARMY NURSE CORPS. BE ALL YOU CAN BE.
