FOOD 4 LESS

The Food Store That Saves You

10-30%

GROCERIES, USDA CHOICE BEEF, FRESH FRUITS & VEGETABLES, FROZEN FOODS AND HEALTH AND BEAUTY AIDS.

When you compare price, also be sure to check for quality and variety. You'll find Food 4 Less® is first in quality, variety, and savings, because Food 4 Less® has done away with the unnecessary handling of groceries, so you can carry home the savings to your family.

Food 4 Less® has automatic scanners at its checkout counters which eliminate the necessity of marking each item separately... and that means you save money. Your register receipt lists each item you buy as well as the price, so you can compare Food 4 Less® prices, item by item, with any other store in town.

It takes time to individually price items and arrange them in neat little rows on supermarket shelves. At Food 4 Less® we just stack the cartons they're shipped in and put one price tag on the shelf. It may not be pretty, but it sure cuts out handling costs that show up on your grocery bill.

Food 4 Less®... our name says it... our prices prove it.

Food 4 Less® eliminates the handling charges so you pay less for your groceries.
