

*Computer speeds drop/add, but process still is tedious*

By 8:27 a.m. Tuesday, 282 students had passed through the doors of the Nebraska Union's Centennial Room to process a first-day drop/add.

Although drop/add lines will be long at times, this semester's drop/add appears to be running smoothly.

"There weren't as many problems as usual," Dorothy Griess, a registration office staff member, said.

The university's computer drop/add system has been used now for about 18 months. Bob

Reid, associate director of registrations and records, said the new system has many benefits. The computer provides greater accuracy of records, students can verify their courses with a copy of their new schedule and, most importantly, it saves time.

"It seems to go pretty quick once you get in there," Doug Timmerman, a senior business major, said. "But it still is a hassle."

"I don't like it at all. It takes too long with the computers

—it's easier to screw up," Noreen Kubik, a senior elementary education major, said. "I like it better the other way."

While waiting in line can be tedious, the process moves quickly, serving 1,800 time card appointments per day.

"The whole system is geared to first come, first serve," Tony Schkad, assistant director of registration and records, said. "That's the name of the game."

Students who pre-register the previous semester usually get the classes they want, Schkad said.

# WHAT EVERY STUDENT SHOULD KNOW ABOUT THE DIFFERENCES BETWEEN LEASING A TELEPHONE AND LEASING A CHICKEN.

Yes, there are differences. And we think you should know what they are. Ask yourself these questions.

**WHEN YOU LEASE A CHICKEN, DO YOU GET THREE MONTHS FREE DURING THE SUMMER?**

Probably not. But when you lease your telephone from AT&T this fall, you won't pay any lease charges next summer. You can use your phone at home, and bring it back to school in the fall.

**DO LEASED CHICKENS COME IN A SELECTION OF COLORS AND STYLES?**

No. Chickens don't come in many colors. But the AT&T telephone you lease this fall comes in a variety of colors and three popular styles.

**ARE LEASED CHICKENS REPAIRED FREE?**

Don't kid yourself. Repairing a chicken is a delicate process that requires the work of expensive professionals. However, in the off chance your

telephone will be shipped directly to you after one call to 1-800-555-8111, or you can pick up your phone at any of our AT&T Phone Centers.

**ONE FINAL QUESTION: DOES IT COST THE SAME TO LEASE A CHICKEN AS TO LEASE A TELEPHONE THIS FALL?**

Hardly. While we have no hard data on the exact cost of leasing a chicken, we can tell you with some certainty that the cost of leasing a telephone this fall is far less than you might think.

The decision to lease a chicken or a telephone, of course, rests with you. But should you opt for the telephone, remember: you get three months free next summer, and you can take the phone home with you. There's a choice of colors and styles, free repair, and we'll ship you the phone or you can pick it up at any

of our AT&T Phone Centers. It doesn't cost much either. And that's something to crow about.

AT&T leased telephone needs repairs, we'll fix it absolutely free when you visit any of our AT&T Phone Centers.

**ARE LEASED CHICKENS SHIPPED DIRECTLY TO YOU?**

Ship a chicken? Don't be silly. However, your AT&T leased

of our AT&T Phone Centers. It doesn't cost much either. And that's something to crow about.
