 Wake up! The Navy will only let you load cardboard boxes. You'll catch cold in some awful place and have to blow your own nose. Nebraska doesn't even have an ocean, besides when has Navy ever gone to the Orange Bowl. Yes it's true... even freshmen have cars you can go to supper, not evening formation in sweats. Yes it sounds ridiculous but students actually drink on weeknights (not on campus of course). Your oblong brother laid on the university's grass Saturday for a Springsteen ticket with us. When will the boss play at Bancroft Hall? Wise up, grow a beard, your hair in dreadlocks and come to UNL. After Nov. 8 it could be too late.
