SIG EP GOLDEN HEARTS
Halloween Party tonight at 8:00 Meeting tomorrow at 8:00 See you at both.

To the students, faculty, and Greek system at UNL.
The men of Triangle Fraternity would like at this time to address certain incidents that have disheartened our program. The recent incidents of destruction to property both public and private that have occurred this past weekend. The responsibility for these incidents does not lie with our brotherhood nor with anyone related to it. Those who are responsible are of an outside group attempting to dishonor and disgrace our program through their thoughtless and inconsiderate actions. We know of no such motives for their actions, but wish that all of you will continue to view our fraternity with the support and respect we have shown in the past. As to a recent personal appearing in the Daily Nebraskan which implied our involvement, we must also plead innocent to.

Thank you for your understanding and patience in our efforts to stop such malicious actions from continuing.

Sincerely, The Men of Triangle Fraternity
