

Get the jump with The Long Distance Winner.

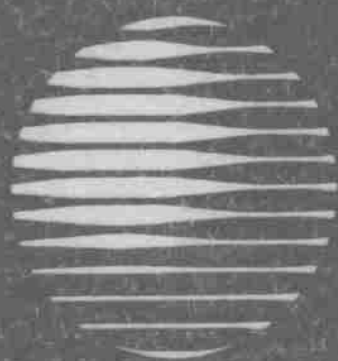

Davey Croakett got the jump on the competition by leaping farther than any other frog—20 feet 3 inches at the annual Calaveras Jumping Jubilee at Angels Camp in California in May 1976.

AT&T gets the jump on the competition, too, so you'll get more mileage for your money. You'll save 40% evenings—60% nights and weekends—plus service that's leap years ahead.
