IF THERE'S LEADERSHIP IN YOU, OCS CAN BRING IT OUT.
OCS (Army Officer Candidate School) is a 14-week challenge to all that's in you...the mental, the physical, the spirit that are part of what makes a leader.
If OCS were easy, it couldn't do the job. It wouldn't bring out the leader in you, or help you discover what you have inside.
But when you finish and graduate as a commissioned officer in the Army, you'll know. You'll know you have what it takes to lead. And you'll be trim, alert, fit, and ready to exercise the leadership skills that civilian companies look for.
If you're about to get your degree and you want to develop your leadership ability, take the OCS challenge.
Call your local Army Recruiter, and ask about OCS.
