Thanks for a super semester — you're the best. Have  
a great vacation. Merry Christmas to the best desk  
staff on campus!  
Boss lady

Stop it Matt. You're embarrassing me. We don't have  
people like you in Skokie. Scrubbing — won't have it!  
Marion

Lias Ba-beel!  
To all our frolicking times and those to come (look

For all the times I didn't vacuum or take out the  
trash, I thank you. Our room never would have stayed  
so neat (?!). Good luck on finals!  
XXOO Becky

Dick,  
Santa tasted great. What was that white and red stuff  
all over the top. The L-Star call it "yucky."

Hye-un, Huey, Lush and Veronica Dimples:  
Here are the words of wisdom from the official 1984  
Goat Waver: You 'chicks' are being nominated for the  
Best Lunch Companions Award given semi-annually  
by the Cool, Crisp and Clean Committee. However,  
the chairwoman of the above committee said you must  
keep giggling, dancing, showing (finding) dimples  
(not on your chin), keeping in control And above all,  
best of luck on finals and a Merry Christmas to you  
special freshies and sophs.

P.S. No more nasty letters or climbing on water  
towers.  
Love, The Formal Senior
