Daytona Beach trip offers Padre Island alternative

By Diana L. Johnson
Staff Reporter

Sun-baked beaches, fishing in the Gulf Stream, shopping in the halls of an old Mexican plaza and afternoons of lounging at the pool side with friends — a far cry from the sub-zero temperatures and icy sidewalks UNL students face every day.

But for those taking advantage of low-priced trips to Daytona Beach, Fla., and South Padre Island, Texas, these scenes can become reality during spring break.

"We're trying to offer students a cheap trip to a nice place for a nice time. It's a time to kick back and relax. This is a chance for everyone to get away for a break after not having one for such a long time," said Shelly Oestmann, chairwoman of the committee for the South Padre Island trip. This is the fourth consecutive year the trip has been offered.

"The Padre trip is almost becoming a traditional spring break trip. One hundred and fifty people went last year and many of them are going back this year. And I think we're really fortunate to be

able to offer two trips," Oestmann said.

Prices of both trips include optional bus transportation to both destinations, with lodging and activities.

The South Padre Island trip deluxe package sells for \$233, including round-trip bus transportation or \$144 without round-trip transportation. It includes eight days and seven nights in six- or eight-person resort condominiums with pool-side parties, volleyball and tennis tournaments, shuttle service to the mainland and many other activities. A bed and beach package for six-person condominiums sells for \$197, with round-trip transportation or \$108 without transportation.

"Both places are very nice, but one is just a little bit more snazzy than the other," Oestmann said. She said the same activities are offered for the lower-priced trip.

Bobbi Lubberstedt, chairwoman of the Daytona Beach committee, said Walt Disney World, the Epcot Center, Sea World and sea fishing will be part of the activities offered for the Daytona Beach spring break package.

"We will be staying in the Plaza Hotel, which is the largest hotel in the center of the strip right along the beach," Lubberstedt said. Local restaurants and shops will offer student discounts. "This is a really hot spot for spring breaks. It's a college hangout and a very popular place," she said.

Reservations for both trips still are being taken. Total cost for the Daytona Beach trip is \$233 plus a \$20 damage deposit. Deadline for final payment or final cancellation is Friday.

Information booths for both trips will be set up this week in the Nebraska Union. A Daytona Beach information meeting will be today at 7:30 p.m. in the union.

"This is a new venture for us. The Daytona trip is being offered to complement the Padre trip. Last year, the consensus seemed to be that people were interested in going somewhere else and Daytona Beach was the place," Lubberstedt said.

Reservations for both trips are being taken on a first-come, first-serve basis. For further information, contact the Campus Activities and Programs office at 472-2454.

CFA revises UPC request

By Colleen Kenney
Staff Reporter

The Committee for Fees Allocations voted Thursday to cut the University Program Council's budget request for next year from more than \$123,000 to about \$122,000.

This would increase UPC's support from student fees to \$2.94 per semester next year, up from \$2.58.

CFA first voted down approval of UPC's entire budget because many members said they could not justify a 14 percent increase in student fee support for UPC.

"But we have to remember it really is just a 36 cent increase," CFA chairman Tim Clare said. After further discussion, UPC's budget was approved.

Several specific UPC committees suffered cuts or did not receive their requested increase.

UCP requested an increase of \$920 for support of Special Events but CFA voted to give it no increase, leaving it with \$400. The Women's Resource Center was allocated \$6,000, a 4 percent decrease from the \$6,241 requested.

Another UPC program that didn't get its requested budget increase was Homecoming. CFA voted to leave the amount

the same as last year, at \$1,600.

UPC had requested \$2,500 for Homecoming.

However, Kenneth Bukowski, a member of the CFA subcommittee and Homecoming committee, said he "felt it was time the students started paying more for it because it is a student program."

Student fees support 35 percent of the Homecoming Committee budget.

The CFA subcommittee initially recommended \$26,000 for the UPC's Major Performing Arts Committee, but it allocated the committee's request of \$28,000.
