Cross country skiing requires no ski resort and can be done just about anywhere in Nebraska. One of the most popular areas for cross country around Lincoln is Pioneer's Park, located at S. Coddington and W. Calvert streets. Cross country ski equipment can be rented at most Lincoln sporting good shops.

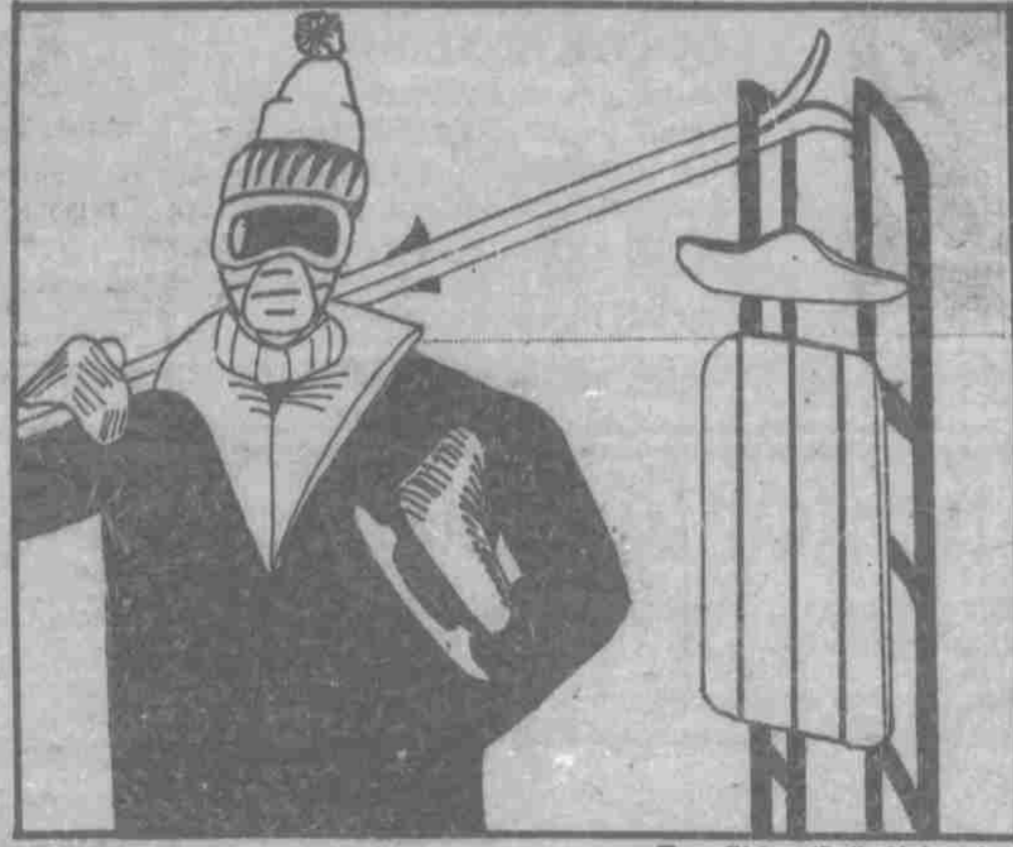

Pioneer's Park is also the home of Lincoln's best sledding area. A specially constructed sled ramp combined with a hill approximately 150 yards long provide for some of the greatest sledding thrills anywhere.

Opportunities for free ice skating abound in Lincoln. Rhodes Park at 14th and Lake streets is

by far the most popular of Lincoln's rinks. The oval shaped rink covers the better part of the block on which the park is located, providing ample space for skaters of all styles and grace. Holmes Park is also a well-known skating area. Extreme caution must be observed when skating at Holmes, however, because it is a lake.

Ice skating is also available at Oak Lake Park, First and Charleston streets. Caution is recommended at Oak Lake as well.

Other skating areas in Lincoln are Bishop Heights Park, 30th and Prescott; Herbert Park, 81st and Trailridge Rd.; Roberts Park, 56th and A; Sawyer Snell Park, 2nd and South and University Place Park at 49th and Garland streets.
