DON'T MOLEST THE LEPRECHAUNS!

1 Year for 1¢*

People used to chase leprechauns because when you catch one, you'd win his (or her!) Pot O'Gold.

But people have learned what's even better than gold . . . and that's their health and the way they feel. Which should make a membership at America's most advanced fitness center cost even more than a leprechaun can afford. But with our St. Patrick's Day Special, that's not so. Everyone can afford a penny, and at 24 Hour Nautilus you'll get a whole year of fitness for one cent when you buy a year at our **SPECIAL STUDENT RATE of \$95.00**. And you can freeze your membership for the summer.

Now we expect the leprechauns to come into 24 Hour Nautilus by the dozens when they see this offer. They're smart. (How do you think they saved all that gold?)

24 HOUR Nautilus

1430 North 48th St. 467-5551

*Based on 1 year membership paid in full at registration, second year for 1¢.
