THE TRINITY HERESY

A major doctrine accepted by nearly all religions is the belief in the Divine Trinity. Yet, in spite of this overwhelming agreement, there are still religions which teach otherwise. An interesting Bible Exposition will reveal the false teachers by examining the Blessed Trinity from its very origin. This Bible Exposition, sponsored by the Church of Christ (1914), will be Saturday, April 6th at the Nebraska Union. The Exposition begins at 6:30 p.m. and is a must for anyone interested in the words of God.
