The Delta were simply rugged in the ancient art of pyramid building (some interesting positions were formed). The Sammas were just awesome when competing in the Liferace Race (the lips were in fine tune); AGR was absolutely outrageous when slaming the ball in someone's face (who said volleyball wasn't a violent sport).
We would like to thank each of you; you made the day worthwhile. We hope to see you next year in the Triangle Little Sister Olympic trials.

2 Favorite Phi's?
