### A SPECIAL SERMON SERIES

"OUR CHURCH TRADITIONS: WHAT'S REAL & RIGHT?"

*We, at UMHE, do not have the whole truth. That is larger than any one person or group can grasp, despite the claims of some.*

*We do have some valued perspectives about Christian faith and life which are marks of the traditions we share in the UMHE coalitions of denominations.*

*We believe these perspectives are vital, important, and authentic. They make a significant contribution within the whole Christian community.*

*This sermon series will highlight some of these perspectives, as a way of illuminating the strengths and distinctiveness of our campus ministry at UNL.*
