

8 things a man does on a first date that make me want a second.

1. He loses arguments gracefully.
2. He opens doors for me and follows other rules of chivalry without flinching.
3. He can handle his liquor.
4. He doesn't care if all I want is a salad and a white wine spritzer.
5. He shaves.
6. He discusses anything but point spreads over dinner.
7. He has enough confidence to compliment me, and doesn't expect me to immediately return the favor.
8. When he asks me up for an after-dinner drink, he serves up Cafe Irish Creme.
