

Lasting Impressions

If there is one thing a young newlywed couple wants their wedding to do, it is for it to leave a lasting impression on all who attend. To successfully accomplish this goal, however, the couple should properly plan each segment of the nuptial, whether it be

before, during or after the ceremony. Poor preparation can be disastrous, but a wedding guide, like this one, is helpful. The guide is divided into three sections corresponding to activities that occur before, during and after the 'I do's.'
