Bobby Lowell

Regional
rock 'n' roller
returns

A faded red sign hangs on the peeling screen door.

WARNING

The occupant of this house is a biker. He hates Salesmen, Beggars, Conmen and bill collectors. You have been warned, unless you are blind, or cannot read this sign, you can bet your ass I am going to stomp the shit out of you, if you bother me!!

Inside, it's dark and warm. Bobby Lowell reclines on a bed in the corner of the living room. He eases his 6-foot-3-inch, 300-pound frame from the bed and shakes the extended hand. He smiles.
