Why do they have to grow up?

PLAYGROUND from Page 14

Name: Bruce Stephen
Age: 21
Hair: Black
Eyes: Brown
*Bruce plays the bass. His favorite thing is beer.
When Bruce grows up he wants to be a marine biologist.*

Playground doesn't act much like the Smiths. The Smiths take themselves very seriously and think they are saying something very, very important. Playground does not think this.

Some day Playground probably will grow up. They will start to dance around on stage, because people like that. They will maybe play a couple of songs by other peo-

ple, because people like that, too. John will memorize the words and he'll start to feel silly about his music stand. They already feel funny about the name "Playground." They don't like it very much.

Name: Playground
Age: 1
Hair: Dark
Eyes: 8
