IMPURIANI SENIUHITY Senior member of Nebraska congressional delegation, tenth ranking among Republicans on powerful House Appropriations Committee.

RECOGNIZED LEADERSHIP Elected and re-elected three times by colleagues in House of Representatives as top-ranking Republican farm leader on key House Appropriations Subcommittee on Agriculture, totaling eight years service in this leadership position.

FARM BILL REFORM Pressed successfully for many administrative and legislative changes aimed at trying to make the defective 1985 Farm Bill work for the benefit of ranchers and farmers, paving the way for major reform for the 1987 crop years.

SOCIAL SECURITY Sponsored and worked for successful House adoption of Social Security legislation providing cost-of-living increases even if the inflation rate is lower than the 3% trigger

VETERANS Maintains perfect voting record for veterans. Supported improved benefits for former POWs, improved VA health care, improvements in new GI bill, and additional protection from automatic cuts under the Gramm-Rudman Act.

EDUCATION Voted and worked to strengthen federal aid for vocational education, student-loan funds, the Head Start program and other programs beneficial to education.

WATER PROJECTS Secured legislation permitting continued construction of North Loup Division water project and planning and preconstruction work on 15 other

major Nebraska water projects. Established a new consensus of the Nebraska congressional delegation for building a modified O'Neill Unit emphasizing use of new groundwater recharge technology.

PROTECTED POWER RATES Led opposition that killed Administration plans to double power rates by revising repayment contracts with federal hydroelectric facilities and by selling off federal power plants, dams and reservoirs. These plans would severely hurt all consumers, particularly business; and would break agriculture.

SECURED EMERGENCY FUNDING Persuaded President Reagan to immediately release \$750 million in emergency funding for Farmers Home Administration loans.

BROUGHT SECRETARY LYNG TO NEBRASKA Persuaded President Reagan to send the newly appointed Agriculture Secretary Lyng to Nebraska on his frist trip from Washington to listen to Nebraska agriculture leader's recommendations for farm bill reform and changes.

AG RESEARCH Secured congressional approval of Nebraska's plan to redirect eleven million dollars in federal funds for construction of veterinary medicine facilities and a food-processing research center at the University of Nebraska.

SENIOR CITIZENS Worked successfully for House passage of legislation ending arbitrary age discrimination by repealing the mandatory retirement age.

INTEREST TAX REPEAL Worked successfully for repeal of withholding of taxes on interest and dividends.
