

Get psyched! Be an Arts and Entertainment Little Sister

Attention, all women of UNL who want to be part of the Greek system. The Daily Nebraskan Entertainment staff is starting its first annual Little Sister Rush! We are here to fill a void,

Stew Magnuson

the void left in the lives of those poor Little Sisters who can no longer rush the Tau Kappa Epsilon, Phi Kappa Psi and Kappa Sigma programs. Now they can be part of the all-new A&E staff Little-Sister program!
It seems these fine young leaders of

tomorrow dropped their Little-Sister programs because they wanted to preserve their "men's only" club image. Heck, we already have two female members on our staff. We don't have any weird hangups about only having men around. Let all of UNL's women be Arts and Entertainment Little Sisters. The more women the better.

It also seems that some of the frats didn't like their Little Sisters just coming to drink their beer and leave. I find that shocking. They didn't even stay to have sparkling conversations with those intellectual frat guys? They didn't even offer to jump in the sack in gratitude

for giving them free beer? Boy, some women just don't appreciate everything the fraternities do for them

But not the DN arts and entertainment staff. Our Little Sisters can come over and drink our beer anytime. As long as their dues are all paid so they can chip in for our parties. As long as they buy each staff member his own personal VCR and cook for our parents when they drop by our apartments. Of course, they will be expected to guard our homecoming display all night, 24 hours a day. In fact, we might even use our Little Sisters to buy the lumber and paste all the little paper deals on the

display.
Every Little Sister will be assigned a "big brother." Our rules will strictly prohibit dating between the Little Sister and the big brother. They can't date their big brothers, of course, but they can wash our dishes, clothes, windows and feet. But we aren't total puritans. Little Sisters will be considered moving legitimate targets for other members of the staff. You can "date" freely as many other members of the staff as you can handle. Two of three different writers a night if you want?

The reasons why we want Little Sisters is not unlike the reason most fra-

ternities want Little Sisters. Who would show up at our parties if we didn't have the program? If we didn't want Little Sisters around, people might think we were weird and think we were some kind of club that only lets men inside our houses.

So all you poor, rejected women who were looking forward to rushing those exciting fraternities, don't despair. Bring your application, first three months dues and your pajamas to our individual Little Sister interviews, which will be taking place nightly with members of the arts and entertainment staff. Get psyched. Get excited. And get used!
