Let's talk again.
Sh.

Snarla.
You might be a beauty queen someday, once you get rid of your brace face and mom lets you wear what you want. Or, you might be a nurse, mom and dad must be plotting on it. Or, you might be a scholar, but I doubt it. It doesn't run in the family. I'd bet on the pianist, but that would rule out the beauty queen, because you would need long fingernails. A basketball star would be great, but I would miss you because you might travel. One thing is certain, you will always be my favorite little sister.
Love you! Kelly

Dean (AGS).
Good luck on your finals and have a great break!
