Kerri H., Lisa T., Michelle P., Teresa G., (Smith B). Friendship is that special thing.
Friendship is that special thing,
that nothing in the world should ever come between
Even though there's ups and downs,
there's nothing better than a friend around.
A friend is someone you'll always need,
and is very special to you indeed.
You know that they will always be there,
because a friend is someone who cares.
There are times when the world seems almost at end,
but always remember you have a friend!!! but always remember you have a friend!!!!

Sorry I forgot your birthday! I'll make it up to you with a special Valentine's Day message in the Daily Nebraskan on Friday. Feb. 13th! Forgive Me?? Forgetful
