### Tchaikovsky's Fifth

## UNO Symphony Orchestra

UNO's Symphony Orchestra will perform in concert Sunday at 8 p.m. in UNO's Strauss Performing Arts Center. The evening's program will include "L'Italiana in Algeri" Overture by Giochino Rossini; Concerto No. 2 for Oboe and Orchestra by Gordon Jacob; and Symphony No. 5 in E minor, Opus 64 by P.I. Tchaikovsky.

Featured will be conductor Stephen Hobson and Oboe soloist Kermit Peters. Hobson said Tchaikovsky's Fifth Symphony is a favorite of concert audiences throughout the world.

"This is a tremendously passionate work that reaches both the peaks and valleys of musical emotion as only Tchaikovsky can," he said.

Peters is a UNO professor of music. He has a bachelor's degree in music education from Morningside College, a master's degree in music

from the Eastman School of Music and a doctor of musical arts degree from the University of Arizona. Peters was principal oboist in the Omaha Symphony Orchestra for 10 years, conductor of the Omaha Metropolitan Area Youth Orchestra for 10 years, and for 15 years was conductor of UNO's Town and Gown Orchestra. In 1982, Peters received a Great Teacher Award at UNO; recently, he was named as the Edwin Clark Professor of Fine Arts, an endowed chair established by UNO's Alumni Association.

UNO's 65-member University Orchestra includes students and community members. Admission to the concert is \$3 and \$2 for students and senior citizens. UNO students with identification will be admitted free. Tickets will be available at the door or in advance from the ticket office at the Milo Bail Student Center.

## "IT IS VERY IMPORTANT FOR ME TO HAVE MY CONTACT LENSES FITTED PROPERLY."

Like most people, I'm on the go alot. I tried contact lenses a few years ago and was never really happy. Wearing contacts helped my vision but they became a hassle because of the mild discomfort and occasional fuzzy vision.

I asked several of my friends who wear contacts to recommend a specialist, and most of them recommended Dr. Powell at the International Contact Lens Clinic.

I went to their clinic for a no charge consultation to talk about new contact lenses. Their office offers complete contact lens services and complete optical services including:

- thorough examination, individual fitting, and close supervision.
- curbside parking, convenient central Lincoln location
- appointments available **lunch hours, and Saturdays**
- eight week **trial program** for
  - close observation of comfort and eye health
  - lens strength or fitting modification if indicated
  - no charge for damaged lenses
- spare glasses, sunglasses and special solutions for sensitive eyes
- a **continuing care program** - future upgrading of contact lenses as scientific progress is made.

I decided to have them fit my eyes and I was very comfortable with their professional approach, their fees, and their thoroughness.

Everyone in their office helped me become a successful wearer. I consider their office outstanding and I recommended them to all my friends.
