INTERNSHIP
JUNIOR HIGH TEACHER PREPARATION PROJECT
LINCOLN PUBLIC SCHOOLS/
UNIVERSITY OF NEBRASKA-LINCOLN
A fifth year internship experience is being offered for people specifically interested in teaching in the junior high. This is a unique experience designed to provide support between the student teaching practicum and a full-time teaching position. The internship is part of a collaborative project between the Lincoln Public Schools and the University of Nebraska-Lincoln Teachers College. This internship is a full year's experience, combining a half-time teaching assignment in a junior high with a half-time graduate studies component.
A stipend will be paid for teaching three classes in a junior high in Lincoln. Nine hours of graduate credit per semester may be earned from UNL. Completion of the internship may lead to a middle school endorsement.
Students who will have graduated by August, 1987, and have applied for both a teaching certificate and intend to seek admission to a graduate program are eligible to apply for an internship.
