As far as roommates go, I got lucky! (Even if you did break Mr. Doughnut's little jelly heart. He'll get over it.) Which night are we on the free meal circuit?
Slap my face and call me anchovy!

HAPPY CAMPERS CLUB
(Tara, Gerilyn, Jessica)
Road Trips, jolt, awesome slides, Ahh Sh—, Bribing the security guard, swallowed quarters, he's a juicy little morsel, the Fremont experience, wild parties, good times and good friends. Hope you guys have a great summer!
Tammie

Shereen,
We've been through so much this year and we made it through without killing each other. One thing's for sure, we can't say it's been dull. Always remember, "He spent the money". I always liked this, what a lucky break, that looks like John! Impersonal couplings in seedy rooms, parked automobiles and even alleyways. (Fee Hee). Thank for being my mother and my therapist, but most of all thank for being my best friend.
Your Twin, Chantell

Jean,
This year has been the most everything that is good, because of you. You've made my life wonderful and I'm happy that we will spend the rest of our lives together. There are no words which can express all the love I have for you. You're my best friend and my wife to be. You're so beautiful and I love you!!
David

Yoke,
Thanks for all the butt sweat we made this year. We'll make plenty more this summer even without Morff.
Schitz

RGE,
Consider these words: Thin, tan, ocean, convertible, 1/2 price fare. Please come see me.
MSA

P.S. Don't forget about the guy with the Porsche.
