now! Begins

Nebraska's soccer team has a history of winning seasons, and co-captain Kevin Lang said he doesn't expect that to change this year.

Lang said he expects the Comhuskers to have a good season although they lost four seniors from last year's team that finished fifth in the Big Eight.

Nebraska opened its season losing to the University of Nebraska at Omaha, but then defeated Concordia College.

Lang said although this year's team is young, each squad member has played soc-cer before coming to UNL. He YMCA team in Omaha.

Lang said the soccer club has 18 members. He said that figure represents an average number for a soccer team.

Lang said Nebraska doesn't have any international students even though soccer is one of the most popular sports worldwide. He said many of the Huskers rivals have international players who are often the most skilled and dangerous members of the team.

Although the team usually has a home at the Mable Lee Hall field, Lang said, damage to the goals that occurred during last summer's Cornhusker State Games has forced the Huskers

front of Whittier Junior High School.

Lang said the team expects to be back at Mabel Lee in a few weeks.

The Huskers are preparing for the University of Northern Iowa Tournament Oct. 17-18. He said the tournament is Nebraska's biggest challenge until the Big Eight tournament next spring in Stillwater, Okla.

He said the Big Eight Tournament presents a special challenge to the Huskers because it will be played indoors. Lang said indoor soccer has only five team members because it is played on a small field where the ball can be played off the walls.
