HERE'S ONE COLLEGE MEMORY WE'LL HELP YOU FORGET.

If you're like a lot of people your longest-lasting memory of college is the student loan you're still paying back. The Army has a solution, though: qualify, sign up with us, and we'll sign off on your loan.

Each year you serve as a soldier, the Army will reduce your college debt by 1/3 or \$1,500, whichever amount is greater. So after serving just 3 years, your government loan could be completely paid off.

You're eligible for this program if you have a National Student Loan, or a Guaranteed Student Loan, or a Federally Insured Student Loan made after October 1, 1975. The loan must not be in default.

Get a clean slate, by erasing your college debt. Take advantage of the Army's Loan Repayment Program. Your local Recruiter can tell you if you qualify.

BE ALL YOU CAN BE.

To Student, Faculty & Staff Friends,
As you work, travel, play and/or study this summer, we wish you the very best. May your work be productive, your travel re-creative, your play a real relaxation from ordinary duties, and your study not so intense that you have no time to sit and stare, or to smell the roses! We care about you, wherever you are, and pray for your continuing growth, health and wholeness of body, mind and spirit.
