Ogrodowicz's home run propels Huskers to victory over Kansas

By Tim Hartmann
Senior Reporter
and Mike Kluck
Staff Reporter

A home run is only worth one run, but senior Margie Ogrodowicz's home run on Saturday against Kansas was worth a lot more to the Nebraska softball team.

Ogrodowicz's home run in the bottom of the third inning tied the game at three and propelled the 32-16 Cornhuskers to a 10-3 victory.

Nebraska coach Ron Wolforth said Ogrodowicz's hit gave the Huskers the momentum they needed to win three out of their four games over the

weekend. Nebraska lost to Missouri 3-2 in the first game on Saturday, but then defeated Kansas. On Sunday the Huskers defeated Missouri 3-1 and Kansas 4-0.

"That (hit) kind of woke us up," Wolforth said. "That was one of the biggest swings of the season for us."

"It is uncalculable the boost Ogrodowicz's hit gave us. Her home run may turn the year around for us."

Against Kansas on Saturday Ogrodowicz had four hits in four at bats, while scoring four runs and driving in four runners. On Sunday against Kansas Ogrodowicz singled and scored on Ruth Chatwin's double to give her 136 runs scored in her career,

a new Nebraska record.

Three other Nebraska milestones were reached against Kansas on Sunday, all by pitcher Lori Sippel. Sippel, a senior from Stratford, Ont., Canada, recorded her 1000th career strikeout and also notched her 90th career win and 54th career shutout, all Nebraska records.

"I knew this could be my last weekend out on this diamond and See WOLFORTH on 18

Ag Men capture title at meet

The Ag Men defeated second-place Alpha Tau Omega and third-place Chi Phi by winning three events en route to capturing the team title in the men's outdoor track meet sponsored by the Office of Campus Recreation.

The Ag Men, who tallied 117 team and 40 all-university points to win the championship, relied on the first-place finishes of Arlan Paxton in the 200-meter dash and Steve Williams in the 800-meter run and the 1,600-meter relay team of Allen George, Shawn Meyer, Jeff Hanson and Curt

Baldwin.

Alpha Tau Omega, which finished with 44 team and 36 all-university points, was aided by Tim Elsner, who finished second to Williams in the 800-meter run. Alpha Tau Omega's 1,600-meter relay team also earned a second-place finish.

Tau Kappa Epsilon finished fourth in the 11-team competition, while Beta Sigma Psi and SST finished fifth and sixth. Sigma Phi Epsilon was seventh, followed by Beta Theta Pi, Harper 9, Cather 6 and the Tri-Thighs.
