Van Beethoven album well worth the price

REVIEW BOARD from Page 12

"Fatima's" tale of driving through the desert with "cowboys on acid," who "are like Egyptian cartoons," shows that the Campers haven't exactly given up the ghost yet. The only negative mark on the song is that it's over before you catch up to it.

"She Divines Water" is a beautiful, sentimental song, along the lines of "Still Wishing To Course."

It's hard to figure out why they included "Never Go Back," though, unless Virgin Records decided last year's "Vampire Can Mating Oven" EP didn't exist.

So on this album, Lassie doesn't go to the moon and there's no longer any urgent demands about taking skin-heads bowling, but unlike Miss Hearst herself, "Our Beloved Revolutionary Sweetheart" hasn't abandoned Camper Van Beethoven's idiosyncratic cause.

— Geoff McMurtry
