

Special bus services to begin this weekend

The Lincoln Transportation System will provide special bus service for the Utah State football game this weekend and for the Nebraska State Fair, which begins this weekend.

A new service is the "Stadium Special," which will circle through the downtown area every football Saturday.

The buses will travel south on 11th Street to K Street, east on K Street to 14th Street and north on 14 Street to R Street.

Passengers will be able to stop off at 13th and R streets. These buses will run every 10 minutes from 9 a.m. to 5 p.m. Bus fare is 25 cents each way.

Shuttles also will be running from the south side of the Devaney Sports Center to the stadium beginning two hours before kickoff. Bus fare for this shuttle is 50 cents each way.

Buses originating from Southeast Community College, 8800 O St., and Holmes Lake, 70th and Van Dorn streets, will begin running two hours before kickoff with service every 15 minutes to the east stadium. Bus fare is \$1 each way.

Buses will run from downtown to the fairgrounds during the state fair Sept. 2 through Sept. 11.

Shuttle buses will leave 11th and O streets every half hour between 9:15 a.m. and 10:15 p.m. for the fairgrounds. Return service is available every half hour from 9:30 a.m. to 10:30 p.m. Regular LTS fares will apply, and transfers and passports still will be honored.

Students with current student identification cards can ride the LTS buses free until Sept. 10. This offer includes state fair shuttles because the shuttles are part of the regular route. The offer, however, does not apply on the special football Saturday shuttles.
