Basketball team wastes no time

MIDNIGHT from Page 7

The buzzer sounded and Nee's third season as coach of the Huskers began.

A spotlight was used as the players and coaches were introduced.

Following the introduction of team members, Nee divided the squad for a short scrimmage. The Red squad consisted of Husker upperclassmen and the White team was made up of newcomers.

The Reds defeated the Whites 68-44. Senior guard Eric Johnson led the Reds with 22 points, while freshman forward Dapreis Owens led the Whites with 13 points.

Nee said he was very pleased with Moonlight Basketball's fan support.

"There's great fan support, great booster support, the alumni coming back — it was fun," Nee said.

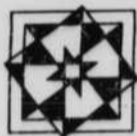

The objective of the scrimmage was for the players to entertain the fans, Nee said.

"I thought the guys came out and did just what I wanted them to do," Nee said. "We wanted it to be up tempo and fun."

Nee said that although no statistics were kept during the scrimmage, he couldn't help but be judgmental.

Miami learns lesson in setback

By The Associated Press

The Miami football team found out what the UCLA basketball team could have told them: No winning streak is sacred against Notre Dame.

The Fighting Irish, who ended UCLA's record 88-game winning streak in 1974, handed the Hurricanes their first loss in more than three years, edging Miami 31-30 Saturday.

Everything seemed to favor Miami. Besides the regular-season winning streak, the defending national champions also owned winning streaks of 16 games overall and 20 on the road.

In addition, three years ago, Miami handed Notre Dame one of its most humiliating defeats, a 58-7 trouncing, marking a low point in

the Irish program and Gerry Faust's last game as coach.

Last year, Notre Dame was beaten by Miami 24-0.

And the Hurricanes had one of the nation's outstanding quarterbacks in Steve Walsh.

But Notre Dame got its long-awaited revenge Saturday, as free safety Pat Terrell, who earlier returned an interception 60 yards for a second-quarter touchdown, broke up a two-point conversion pass with 45 seconds left in the game.

"This was a win by the Notre Dame spirit," Coach Lou Holtz said. "It was a win by the spirit of a group of guys who just refused to fold, and believed. You can't pick out a hero. Notre Dame was the hero today."

The Irish broke a 21-21 tie when

Pat Eilers ran two yards for a tie-breaking, third-quarter touchdown, the first of his career, two plays after Notre Dame turned back a fake punt.

Reggie Ho's 27-yard field goal late in the third period made it 31-21, and Notre Dame survived three Miami scoring threats in the final 7:04. Walsh threw for four touchdowns and 424 yards, both all-time highs against Notre Dame, but the Fighting Irish negated that by intercepting him three times.

"It should not have come down to a two-point conversion," said Coach Jimmy Johnson, whose Hurricanes committed seven turnovers. "There is no way we could have made as many mistakes as we did and won the game. If we had played better, it would not have come down to one or two plays."

Tradition fuels team, coach says

"Sometimes the most important thing is just to try and find a way to win," Pettit said. "You just work yourself around the last lap and find a way to win."

Pettit said Nebraska's rich volleyball tradition was the difference in the match. He said the Huskers used their tradition and an early, quick tempo to doom the Sooners.

Pettit couldn't fault his team's effort.

"Winning isn't always pretty," he said. "Obviously, there are things we could have done better. But I'm not going to focus on that."

Oklahoma volleyball coach Miles Pabst said he was upset with the loss because the Sooners didn't serve or pass well. Oklahoma committed 18 service errors, two of which occurred in the late stages of the crucial fifth game.

Pabst also was agitated because Oklahoma blew a chance to capture the regular season conference title. Oklahoma and Nebraska will tie for the crown if both squads go unde-

feated for the rest of the season, with the Sooners earning the 1st-place seed in the Big Eight tournament.

Oklahoma, which defeated Nebraska 8-15, 15-7, 15-4, 10-15, 15-5 on Oct. 1 in Norman, Okla., would earn the top seed because it has the greater point differential in the team's two matches. The Sooners have outscored Nebraska by four points this season.

"The match helped us mentally, but it's frustrating," Pabst said. "We win this match and we win the Big Eight Conference outright. Now we have to wait and see what happens."

Nebraska took a 7-3 lead in the 1st game on a kill by middle blocker Linda Barsness, who led Nebraska with 21 kills. The Huskers then increased their lead to 11-6 on an Oklahoma error. Nebraska used kills by freshman outside hitter Janet Kruse and All-America setter Lori Endicott, a Sooner error and an ace serve by Kruse to post the 15-9 victory.

The Huskers overcame a 12-7 deficit in the second by using two Sooner errors to take a 14-13 lead. But Oklahoma used a Nebraska error, a

kill by outside hitter Debbie Carlson and a block by middle blockers Kerri Mulry and Michelle Koerner to record the 16-14 win.

Nebraska raced to a 6-0 lead in the third game, increased its lead to 13-3 on a tip by Endicott and then used a kill by middle blocker Carla Baker and a stuff by Baker and outside hitter Val Novak to post the 15-4 victory.

The Huskers then overcame a 15-11 setback in the fourth game by using a stuff by Endicott and middle blocker Carla Baker and a kill by Virginia Stahr and Barsness to break a 13-13 tie and post the decisive 15-13 win.

Pettit said he was glad the match was highly competitive because it proved to critics that the Big Eight has more than one quality team.

"I'm glad Oklahoma did play well," he said. "It showed everyone that we do have to work to win."

Nebraska's next match is on Friday, when the Huskers face Missouri in Columbia, Mo. The Huskers will then travel to Lawrence, Kan., to face the Kansas Jayhawks on Saturday. Both matches begin at 7:30 p.m.

HUSKERS from Page 7

Strong safety Reggie Cooper led the Husker defense with 10 tackles. Outside linebacker Broderick Tho-

mas and inside linebackers LeRoy Etienne and Chris Caliendo each recorded eight tackles. Safety Tim Jackson made six tackles and intercepted a pass by Oklahoma State quarterback Mike Gundy.

Cowboy tailback Barry Sanders, who entered the game as the nation's leading rusher, scored four touchdowns and rushed for 189 yards on 35 carries.

The Huskers gained a season-high 570 yards on the ground, while piling up 662 yards of total offense. Oklahoma State finished the game with 455 yards of total offense — 229 yards rushing and 247 yards passing.

Cowboy coach Pat Jones said his team experienced the same thing Nebraska did when it lost to UCLA.

"We never did give ourselves a chance to get in the ball game. We got beat soundly," Jones said. "I felt entering the ball game that for us to have a chance to win, something positive needed to happen early in the game, and obviously it went just the other way."

After Nebraska's defense held the Cowboys on the game's initial drive, the Huskers needed just 13 seconds to get on the scoreboard. Clark took a handoff from Taylor, broke a tackle, kept his balance and raced 73 yards for a touchdown.

On Oklahoma State's ensuing drive, Gundy's errant pass was intercepted by cornerback Charles Fryar at the Husker 14-yard line. Fryar raced 86 yards for a touchdown that gave Nebraska a 14-0 lead with 11:29 remaining in the first quarter.

Nebraska safety Mark Blazek intercepted another Gundy pass on the Cowboys' next series, at the Husker 20-yard line. Three plays and 40 seconds later, Nebraska led 21-0 with 9:16 left after Clark's 9-yard touchdown run.

The Cowboys were again forced to punt on their next possession. Taylor capped a five-play, 86-yard drive with a 60-yard touchdown run that gave the Huskers a 28-0 lead with 4:09 left in the opening period.

Taylor scored his second touchdown on a 43-yard run with 1:03 remaining in the quarter. The three-play, 67-yard drive gave Nebraska a 35-0 lead.

Nebraska increased its lead to 42-0 in the first half when Clark scored his third touchdown of the game on a 2-yard run.

The Cowboys didn't score until Sanders' 9-yard touchdown run with 8:45 remaining in the half. Sanders added a 1-yard touchdown run two minutes later to make it 42-14.

Each team threw touchdown passes in the final two minutes of the first half to close out the scoring with the Huskers leading 49-21.

Millikan's second touchdown reception and Sanders' third rushing score made it 56-28 after three quarters.
