**"Starving" Senior:**

If student loan payments will take a big bite out of your paychecks, check out NEHELP's Consolidation Loan. If you've borrowed \$5,000 or more in student loans, you might be eligible to combine your loans and lower your monthly payments. Bon appetit!

Ben There

**"Starving" Senior:**

I had a hard time fitting student loan payments into my budget. The people at the Educational Planning Center told me that NEHELP's Consolidation Loan might make it easier. If you owe \$5,000 or more on your student loans, call the Educational Planning Center at 475-5222 to find out more.
