A CAREER IN HAIR DESIGN: PROFIT WITH PIZZAZZ

A career in hair design not only offers creative challenge on a daily basis, but has the potential for being one of the best paid professions, based on how you develop your skills. Our styling instructors can teach you the art of hair design using the Scientific Educational Systems from Redken. For a more satisfying, profitable career, call us today.

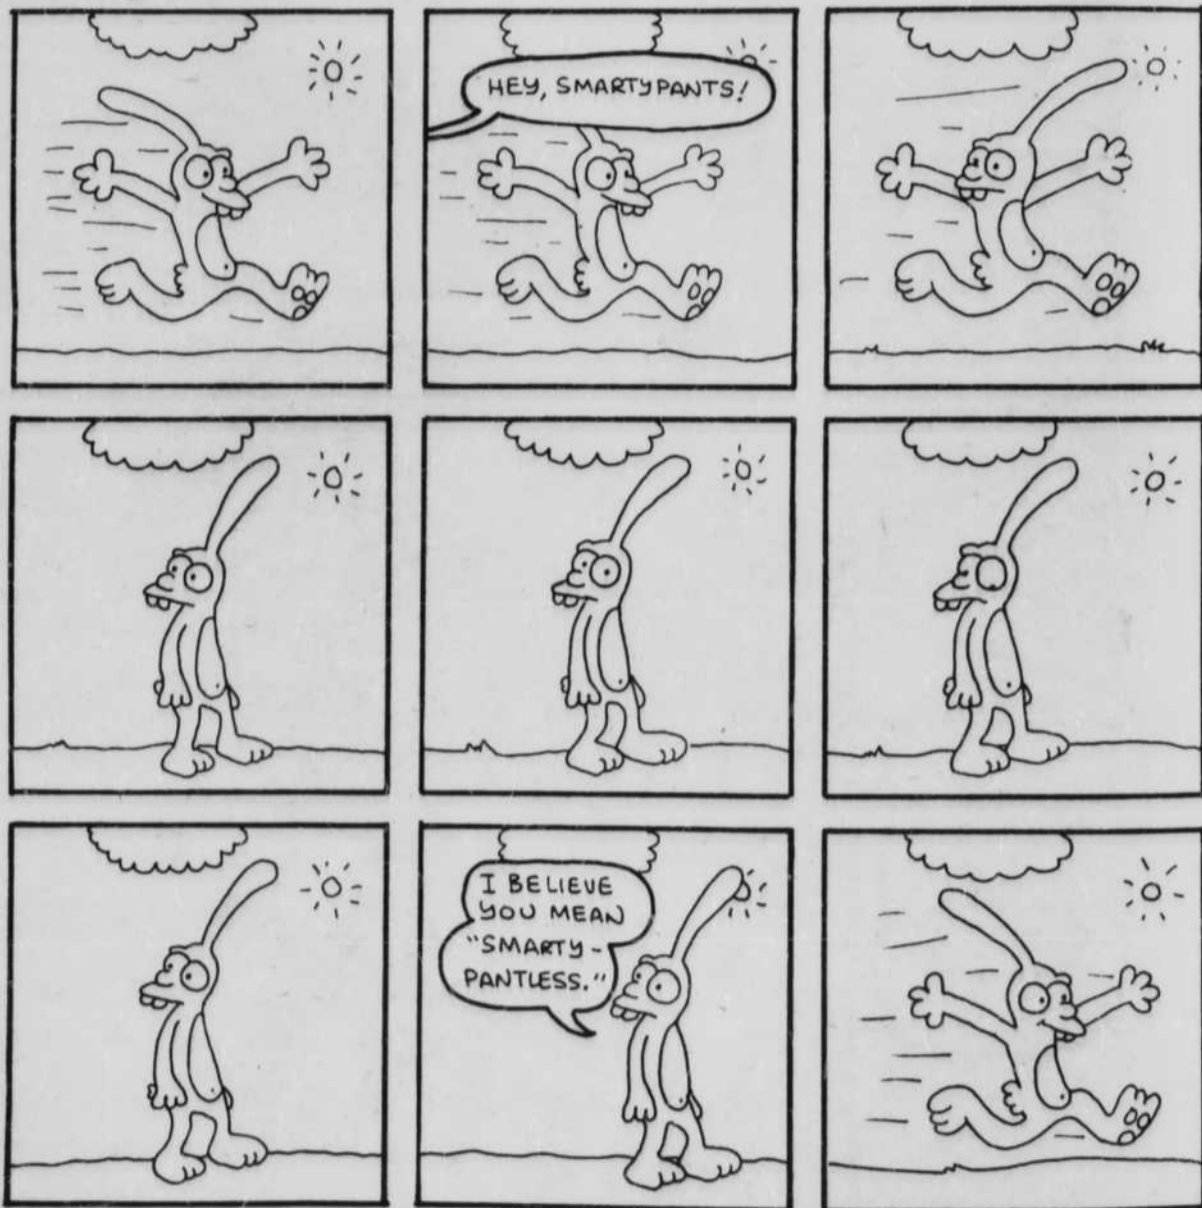

College of Hair Design

Classes Begin April 3, July 5 & October 2
For More Information Call Greg at 474-4114
FIFTH & M Streets
