mean his bungalow in the middle of nowhere. But that doesn't keep the Romanian government from finding her. Oh, we forgot to mention that the Romanian government wants her to go back home. We don't know why, they just do. WR: That's the whole thing, Lisa.

We don't know anything. Not why Tom Selleck has a sleazy beard one day and then shaves it off two minutes later. Not why he suddenly decides to perjure himself by providing an alibi for a girl he's seen moments before. We don't know what your favorite actor James Farentino is doing in this piece of trash. We don't

know anything. It's so retarded! LD: Now let's talk about this Farentino thing. He started out pretty well going from one of Jesus' followers in "Jesus of Nazareth" to a soap star in "Dynasty" and now this ... oh God, this is a serious career dilemma.

WR: You seem to be invoking His trampoline. I was breathless.

LD: This movie needed somename a lot, Lisa. But you're right. thing, William. It left a bad taste in "Her Alibi" didn't have a prayer of my mouth, like those Sugar Babies we ate.

WR: You know, Lisa, for a PG movie, "Her Alibi" was pretty raunchy. There were so many refer-WR: ences to oral and other forms of sex, I couldn't believe it. Especially when Tom and Paulina were making out and she started whispering about her love globes and her warm loins. Eer-

LD: Oh, I'm embarrassed. The mass vomit scene, the stomach pumping scene -- it was all so contrived and about as predictable as a Hall and Oates album.
