Opportunities for Programmer Analysts, Engineers, and Finance Professionals

Jump into an entry-level career that will take you places at EDS.

In an EDS developmental program, your career potential can reach new heights. You'll gain the rewarding on-the-job experience you need to move your career years ahead — experience you can only gain from the world leader in the computer and communications services industry.

EDS is looking for achievers — people who make things happen. If you are interested in applying your talents in the information processing services industry, you won't find a better place to grow than EDS.

Our highly-respected developmental programs are nationally recognized as models for the industry. They provide technical challenge, professional expertise and the business savvy you'll need to become one of the industry's best-prepared professionals.

Systems Engineering Development

- 4-year college degree (any major) with a 3.0/4.0 overall GPA preferred
- Demonstrated technical aptitude

Accounting and Financial Development

- BS/BA in Accounting and/or Finance with a 3.5/4.0 overall GPA preferred

All positions also require: excellent communication skills, a strong record of achievement and flexibility to relocate nationwide.
