

NU downs UNO Mavericks 14-1

By Steve Sipple
Staff Reporter

Though the Nebraska baseball team probably didn't need 18 walks to beat the University of Nebraska at Omaha Wednesday, it wasn't balking at the Mavericks' generosity.

Nebraska took advantage of UNO's erratic pitching and used some sparkling pitching of its own to down the Mavericks 14-1 before 59 fans at Buck Beltzer Field.

"They handed us a lot. There's no doubt about that," said Cornhusker coach John Sanders, whose team raised its record to 9-2. "But when your offered help and take advantage

of it . . . that's good."

UNO starting pitcher Ron Barnes walked nine Huskers and gave up six runs in three innings. Chris Shanahan relieved to begin the fourth, walked six and left after six with Nebraska leading 10-0.

Rich Spicl pitched the last two innings for the Mavericks, who lost their season opener, giving up three walks and four more runs.

"They wanted to walk us, and we didn't disagree," Sanders said.

Meanwhile, four Nebraska pitchers, including three freshmen, limited the Mavericks to three hits.

Jerry Madison, a left-hander making his first Husker appearance, be-

gan the third inning in relief of starter Jason Abramavicius and struck out seven in three innings.

UNO managed just two infield ground outs against Madison, a 6-foot-1, 180-pound player from Beatrice.

Madison, who baffled the Mavericks with mainly fastballs and curveballs, said he was surprised with the ease of his first college game.

"I've been practicing a long time for it," Madison said. "You do like you do in practice. I felt really good and was really excited."

Abramavicius, Madison, McGraw Milhaven and Aaron Bilyeu combined to strike out 15 Mavericks.

Abramavicius, a freshmen from Berwyn, Ill., got his first win as a Husker. Barnes was the loser.

Nebraska shortstop Ken Sirak, who entered the game with a .238 batting average (5-for-21), gave the Huskers all the offense they needed. Sirak, a junior from Camarillo, Calif., nailed a double and two triples in five at bats while driving in six runs and scoring another.

Sanders praised Sirak's performance.

"He's capable of hitting the ball well. We wouldn't trade him for any college shortstop in the country," Sanders said.

NU coach expresses his concerns about players

By Mark Derowitsch
Senior Reporter

There are two positions that don't concern Nebraska offensive line coach Milt Tenopir heading into spring practice.

But Tenopir is worried about finding some depth for the line, something that was missing last year.

SPRING PREVIEW

Seniors Jake Young, a center from Midland, Texas, and Doug Glaser, a right tackle from Balch Springs, Texas, won't have to worry about losing their starting jobs, Tenopir said.

"Jake and Doug are very unique in that both of them have never red-shirted," he said. "And Jake has a chance to letter four times and Doug three times."

Young, an Associated Press and Football Writers All-America selection last season, has started since his sophomore season.

"Jake's probably as fine of player we've had around here for a while," Tenopir said. "He's a very quick center and he's as good as they come."

No doubt about it, he's very valuable to us."

Young, who stands 6-foot-5 and weighs 260 pounds, will be backed up by any of three candidates including David Edeal, a junior from Loomis, Roger Fitzke, a junior from Harvard, and Bill Ziegelbein, a redshirt freshman from Polk, Tenopir said.

"We've just got to get those kids some time with the first and second teams," Tenopir said. "Maybe not at the beginning of the year, but those kids will be very valuable to us before the year's over."

Glaser, a 6-7, 295-pounder, is the only other returning starter in the offensive line.

Tenopir said Glaser just started to show his potential towards the end of last season.

"Doug is one of our most valuable people up front," Tenopir said. "He has the potential to be a great tackle for us. He's very big and mobile."

Behind Glaser, Tenopir said red-shirt Brian Boerboom and senior John Roschal will be vying for the second-team job.

"Roschal's been up and down for us," Tenopir said. "But we're going to toss him into the fray and see what he can do for us this year."

Tenopir said the starters at both

REPTILES From Page 13

have come at a better time.

With the Runnin' Rebels leading 67-60 with five minutes remaining, Kumm hit a jump shot and made three of five free throws down the stretch to seal the victory.

Kumm said he was confident he would make the decisive free throws.

"I felt pretty good," Kumm said. "If I had to sit down and think about them, I might have been nervous. But there wasn't that much pressure on me, so I just tried to concentrate on putting them in."

Delta Upsilon captain Cory Shaw said he thought his team played a good game.

"We have nothing to complain

about," Shaw said. "We were just hoping to represent the A Division as best we could."

Delta Upsilon, who ended the season 11-1, canned 11 three-point shots, including three to start the game.

The Delta Upsilon's opened a quick 9-4 lead behind the long-range shooting of John McPhail and Pat Jilek. McPhail led Delta Upsilon with 28 points and six three-pointers.

However, the Runnin' Rebels fought back and led by as many as eight points in the first half. The Runnin' Rebels led 37-33 at halftime.

The Runnin' Rebels were led by Dan Carson and Tom Vlach, who each scored 18 points.

Hosers dominate semifinal round

HOSERS From Page 13

ness compounded the Hoofers problems because his team was missing two of its players.

The Hoofers played the entire game with five players. One of those players -- forward Bob Wolesensky -- was forced to play a cautious second half after picking up his third foul late in the first half.

Wade said he could not fault his team's effort even though it trailed by 25 points at halftime. The Hoofers trailed by as many as 36 points late in the second half.

"We expected to give them a good game," Wade said, "and I think we gave a pretty good effort."

Clare said the Hosers were not playing their best because Gdowski, Walker, McCoy and Kratzenstein were suffering from sore legs. He said the soreness resulted from a series of sprints that the Huskers were required to perform during a National Football

League testing combine on Wednesday.

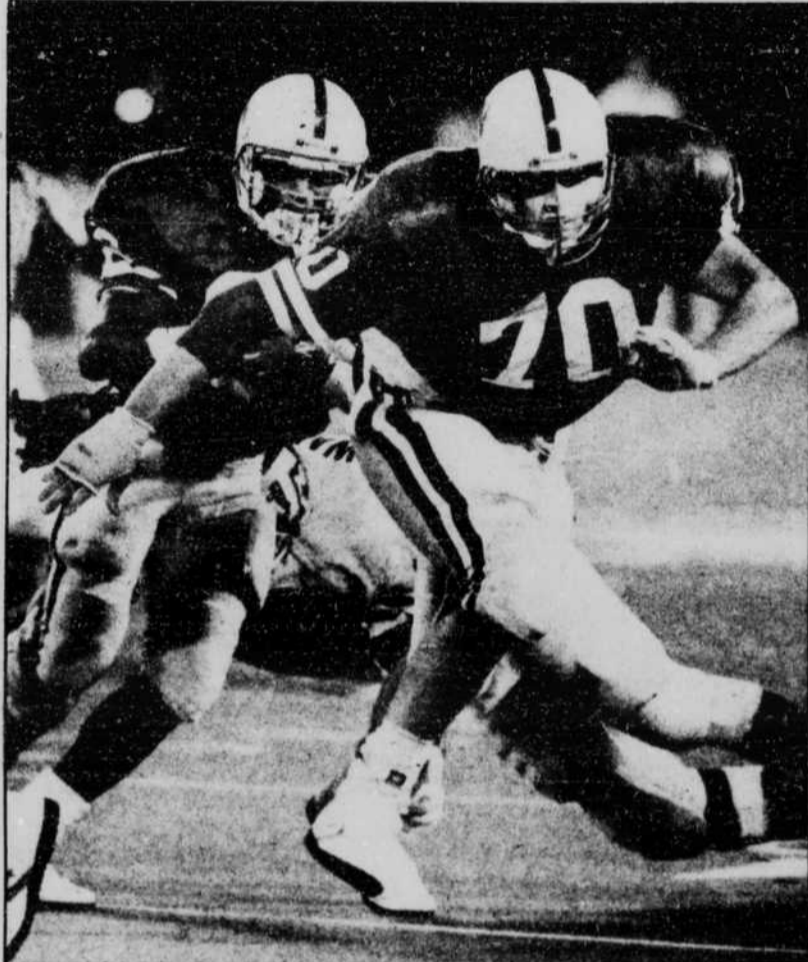

Clare and Kratzenstein said they were not surprised by the Hosers' victory. They said the key to the win was a balanced scoring attack.

Gdowski led all scorers with 24 points, while guard Tim Baeda added 21 and Walker and Andy Appleget had 10 each. Bill Wolesensky led the Hoofers with 11 points, while Wade, Bob Wolesensky and Jim Boeve added 10 each.

"We've got a balanced attack," Clare said. "It's just a balanced team."

Kratzenstein said the Hosers used balance and an exposed weakness to post the victory. He said the Hoofers have a weakness because they only start one guard.

"We try to take advantage of other team's weaknesses," Kratzenstein said. "That's what we did tonight -- took advantage of their weakness by running."
