

# New York band returns Tuesday

FOR/AGAINST from Page 14

can't be captured on albums, Schultz said. The band, whose members are all originally from New York, has recorded seven albums.

Live Skull, whose members are friends of For/Against, seems to like performing in Lincoln, Schultz said.

The band was well received in its last performance, he said. Sixty tickets already have been pre-sold for Tuesday's show, he said.

Schultz said the show should be exciting for the audience and hopes the music will help relieve some of the tension of finals week for university students.

He said he's also looking forward to the show because record contractors from labels such as Chameleon and Capitol may attend the performance.

"We're in between labels right now," Schultz said, "so this could be a good opportunity for us."

Tickets for the show are \$5. Bands will begin playing about 9:30 p.m.
