Q. How effective do you think the Lincoln Police Bicycle Patrol will be?

**Greg Bobbett**  
 Sophomore, English  
 Humboldt, Nebraska

"I think it will be very effective. It will be easier to chase someone down with a bike, if they are running down the street."

**Richard Lahti**  
 Sophomore, Architecture  
 Montgomery, Alabama

"I don't think there is any use for them. What kind of crime could you chase down in Lincoln?"

**Susan Spilker**  
 Senior, Biological Sciences/  
 Music  
 Beatrice, Nebraska

"(I'm) not sure it would be effective enough to warrant the amount of money it would take to get the extra manpower."
