### Jim's Journal

I got up for class early today and was really tired when I got home, so I took a nap.

A couple hours later I heard Tony pass by my room. "What a bum!" he said.

But I went back to sleep and slept till 6 p.m. and felt great.

When I got up I couldn't tell if it was morning or night, and I didn't know if Tony's waking me up had been a dream.
