

**"Managing Your Career" ...  
essential career information  
for **HIGH TECH** students!  
At your college placement office  
...and it's FREE!**

If you're majoring in engineering, computer science or any other high-tech discipline, you'll want to get your free copy of *Managing Your Career's* special high-tech edition, published by The Wall Street Journal, and sponsored by AT&T.

This unique edition is written especially for you - the high-tech student - to help you develop successful strategies for launching your career. The editorial content will range from nuts-and-bolts advice on job hunting to career management features.

Included in this edition are articles such as:

- How companies recognize technical excellence
- The shifting demand for computer science students
- Which advanced degrees make the most sense
- Getting the most from high-tech job fairs

**It's All Here!**

All the advice and information you need to help you get started in your high-tech career.

**Be sure to pick up your free copy of *Managing Your Career's* special high-tech edition. Available beginning late September at your college placement office.**
