

# Coach says junior varsity finally in sync

By Cory Golden

Nebraska junior varsity coach Shane Thorell talked like a high school principal at graduation after his team's game against Waldorf Junior College.

After Nebraska's 41-7 win on Friday at Memorial Stadium, Thorell said his team had gone through weeks of not getting its offense and defense together. But finally, he said, everything was in sync.

"We put together a real good game offensively and defensively," Thorell said. "I was real pleased with that -- that's what we've been trying to do all year.

"When you play only a five-game schedule and they're freshmen learning the offense and defense for the first time, it may take that long before you start clicking."

Nebraska took the opening kickoff and used its running game to move 93 yards on 18 plays. Quarterback Joel Cornwell capped the drive on a one-yard run that gave the Cornhuskers a 7-0 lead.

Cornwell, who was held out of the Huskers' 40-16 win against Iowa Central Junior College Sept. 20, provided Nebraska with 133 yards of

total offense and three touchdowns. The Nebraska defense held Waldorf to 129 yards rushing, and helped the Huskers increase their lead when cornerback Greg Salvo picked off an Eric Sukup pass.

Marvin Callies, who started in place of Cornwell two weeks ago, stepped in at quarterback and led a 53-yard, 14-play drive that gave Nebraska a 14-0 lead at halftime.

Nebraska increased its lead to 21-0 early in the second half when Cornwell scored on a five-yard touchdown run and fullback Brian Dunlavy scored on a two-yard run. Dunlavy's touchdown was set up when wingback David Seizys returned a punt 39 yards.

Seizys then reached the end zone himself when Cornwell hooked up with the Seward speedster on a fly pattern down the right sideline. The 51-yard pass put Nebraska ahead 35-0 with 14:50 left in the fourth quarter.

Waldorf broke the shutout when Sukup hit Art Schwarting on a 33-yard scoring strike, but Nebraska responded by compiling a 13-play drive that was capped by wingback Brad Decker's seven-yard run.

Thorell said he was pleased with

### LOSS from Page 9

"We just didn't have a lot of bounces go our way today (Saturday)," Osborne said. "Those two punt returns, and then that one Colorado punt that bounced 70 yards or so

are good examples."

Nebraska center Jake Young agreed.

"We just lost," he said. "We went out there and gave it everything we had, and just came up short. That about sums it up.

"I was once told that great teams make their own breaks. Colorado made theirs today. I'm not bitter toward anybody, but nobody likes to lose. Especially me.

"When you play for the Cornhuskers, you don't have an attitude

that you'll lose to anybody."

Gregory said he didn't think the best team won.

"All the big things that could go their way went their way today," he said. "They're a good team, but I'd like to play them again."

Osborne said the loss raises questions.

"I'm really anxious to see how we bounce back," Osborne said. "We haven't had a lot of adversity this year, and now we've got that.

"It should be interesting."
