Think.

At least once more before you graduate.

We're sorry we had to use the "T" word right before finals, but now that you're going to graduate, applying what you've learned is only logical. A smart step would be to step into an Oldsmobile. Williamson Oldsmobile is offering college graduates special GMAC financing on all new Oldsmobiles.

In addition, if you finance the car with GMAC your first payment isn't due for 90 days from date of purchase. No payment until February!

Also available are special \$600 incentives for qualified first time buyers on 1990 Calais', Supremes and Cieras. All terms are subject to finance approval.

Show off your smarts by checking out Williamson Oldsmobile.
